

# Open Access at the University of Nottingham

Increase the reach and impact of your research by depositing in our RIS and Research Data Management Repositories

There are more than 29,500\* items in our repositories:

14137  
Articles

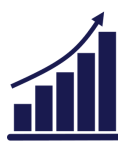

13022  
Theses and dissertations

1520  
Conference and workshop items

883  
Monographs and book chapters

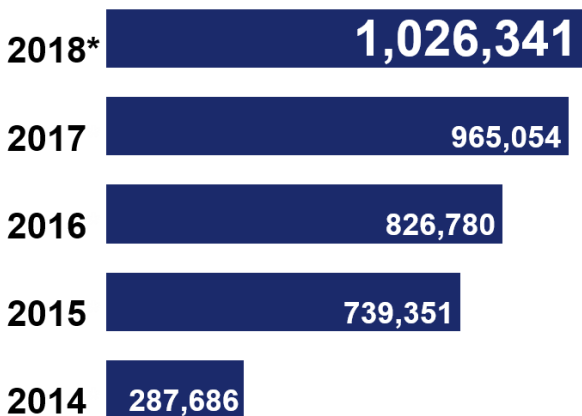

84  
Data items

31  
Other

From books and datasets to musical compositions, our repositories can make all of them freely available to read and download.

Downloads of items from our repositories are growing, reaching people from across the world:

\*data correct up to 18 October 2018

The top 10 countries accessing our research most frequently are:

Our research is being discovered across the world in a variety of ways, including:

University of Nottingham Libraries can support you in making your work open access...

...by helping you make articles, conference papers and much more open access through our **Mediated Deposit Service**.

In 2017/18 **2793** research outputs were submitted to the *Mediated Deposit Service*.

We aim to upload and review these within **3** working days.

...by helping you access funding to cover **Article Processing Charges (APCs)**.

**594**

articles approved for OA funding in 2017/18

**£3m**

of UKRI funding accessed since April 2013

For more information about open access, visit the UoN open access website: [www.nottingham.ac.uk/openaccess](http://www.nottingham.ac.uk/openaccess) or contact us: [openaccess@nottingham.ac.uk](mailto:openaccess@nottingham.ac.uk)
