Industry Visit: Invitation to Participate in Scholar Innovation Week

Warm greetings from IME Group.

Established since 1980 in Malaysia, IME Group is one of the leading provider in design, engineering and manufacturing technology solutions to the local industries and education sector.

In conjunction with its 32nd year Anniversary's celebration, IME is organizing this dedicated event - the "**Scholar Innovation Week**" - exclusively for the Higher Learning Education and Research Institutions in Malaysia.

We cordially invite you, the academic staff members and Final Year undergraduates of your esteemed institutions and faculties to participate in this exclusive Industry Seminar and Workshop from **26 November to 7 December 2012**.

The main objective of this event is to expose to the fellow participants on the latest innovation and technology used in the product design and development process. Industrial case studies and worldwide applications will be presented by our technology specialists; and participants will have the opportunity to enhance their understanding about the Technology through practical hands-on workshops.

As a social-responsible corporate citizen, we believe that through sharing of our industrial knowledge and expertise, we will be able to inspire young talents towards achieving a good and sustainable future for the nation!

Hence, there is NO registration fee or any charges incurred in this event; all food and beverages throughout the 1-day event will be provided to all participants.

Enclosed herewith is the Program information and Registration form.

Should you require further information about **Scholar Innovation Week**, please contact our Secretariat: Ms. Nadariah or Ms. Rina at 03-7783 6866.

We sincerely look forward to your participation at this meaningful event.

Thank you.

Yours truly,

Teoh Tuan Ka
Chairman
