

# ***Marie Curie Individual Fellowships***

***All research areas, all countries: CALL OPEN NOW***

***Closing August 14<sup>th</sup> 2013***

- **Funding for individual researchers**
- **Competitive salary up to €87,500 per annum (dependent on experience)**
- **Simple to run – no timesheets, flat rate funding**
- **Dedicated support from application to award via RGS and professional grant-writer**
- **No restrictions on nationality**
- **Open to researchers from ANY subject area**

## **4 Steps to a Marie Curie Fellowship**

1. Check your eligibility
2. Identify a host institution and co-researcher/supervisor there with a research project in mind
3. Get in touch with Nottingham to receive advice and support with your application (contact details below).
4. Submit your proposal.

**Nottingham contact:**

**[David.j.crowley@nottingham.ac.uk](mailto:David.j.crowley@nottingham.ac.uk)**

## **What are the country restrictions?**

There are almost none. As long as you can move country, you can come from, or go to almost anywhere.

## **Am I eligible?**

If you have more than 4 years of research experience and are able to move country for your fellowship, you are probably eligible.
