

	Co-researcher 2: Personal Details	
	Name:	
	I.C./Passport No.	Nationality:
	Telephone:	Email:
	Designation:	Institution:
	Academic/Professional Qualifications:	
6	Summary of Proposed Research Project (not more than 200 words)	
	<p>Keywords</p> <p>(Please provide a maximum of 5 keywords that describe the nature of the research project). For textbook writing, please provide the details of the proposed chapters.</p>	
7	Research Objectives	

8	Motivation for Research (Discuss the expected outcomes of the proposed research project, methodologies and significance for the discipline and the industry. Please state the expected research output (e.g. publishable articles, chapter in books of reading, etc.).
9	Literature Review Provide a review of the current state of research related to the proposed topic. Limit your review to the current literature and the most referred.

10 Methodology

Describe in detail the procedures and methods to be used to achieve the research objectives of the proposed project. The type of instruments to be used for data collection and analysis should be discussed.

11 Research Milestones

(Use separate sheet if necessary)

PROJECT TIMELINE	
Activities	Weeks*
1. Literature review	
2. Design of instrument	
3. Pilot test	
4. Fieldwork	
5. Data analysis	
6. Draft final report	
7. Final report	

*Increase the number of weeks to suit your project duration.

Note: Researcher is to submit their Research Progress Report at the end of each phase.

12 Budget Information

Please provide detail expenses.

Expenses	Amount (RM)	Notes (if appropriate)
TOTAL		

13 References

List the citations of literature referred to in the text of the proposal (Harvard style).

14

Applicant's Declaration

I declare that the details in this application are true and correct.

I declare that all persons listed as co-researcher(s) have agreed to take part in the proposed research.
