

## EURAXESS ASEAN Flashnote

### Focus on the MSCA Individual Fellowship Call

#### MSCA Individual Fellowship Open to ASEAN Researchers. Deadline 14 September 2016

The Marie-Sklodowska Curie Actions (MSCA) Individual Fellowship programme is a mobility research grant scheme that is open to post-doctoral researchers from all over the world. The Individual Fellowships are an opportunity for researchers based in ASEAN to work in research labs in Europe for up to two years. They are also an opportunity to bring researchers from Europe to work at your lab in ASEAN. More

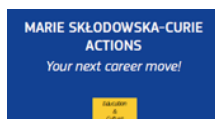

information [here](#).

#### MSCA Individual Fellowships - bring your research partner from Europe to ASEAN at no cost to your employer

The Global Fellowships under the MSCA Individual Fellowship programme offer an opportunity to being a research partner from Europe to your lab in ASEAN at no cost to your employer. Learn from Dr Ludovico Dreni from Spanish Council for Scientific Research who received a Global Fellowship to conduct research at Shanghai Jiao Tong University in China. His interview is [here](#).

#### How to Prepare a Successful MSCA Individual Fellowship Proposal

These two guides prepared the MSCA National Contact Points in Luxembourg and Cyprus take you through the proposal preparation and evaluation process, and provide excellent advice on how to be successful in your MSCA IF application. You can download the guides [here](#) and [here](#).
